

Kids Race Route 2026

The kids' race route will begin and conclude right next to the Ed Egger Track, located near Bert Church High School. This exciting course will take the young runners through a series of gentle turns and straightaways, providing both a challenge and fun experience. The route will wind through the scenic paths surrounding the East Lake Park, giving participants a taste of nature and the thrill of competition. As the race progresses, there will be markers along the way to guide the children, ensuring they stay on course and finish strong back at the starting line, where cheering crowds await.
